

Garden Rooms Proposal

A vision for the outside spaces of our school

The Garden Rooms project aims to:

Enhance the visual appeal and unity of North & South Sites outside spaces;

Improve the facilities to enhance opportunities for outside learning;

Aid students and staff's health and mental well-being;

Provide spaces to support local wildlife;

Reflect Cherwell School's innovative, outward-looking and inclusive educational ethos.

We Need Your Help To Build Better Facilities

Providing better spaces for:

- *Student socialisation & relaxation*

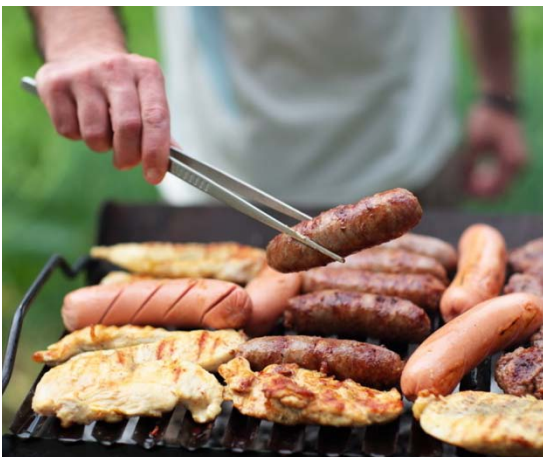

- *Creative learning & teaching*

- *Community Events*

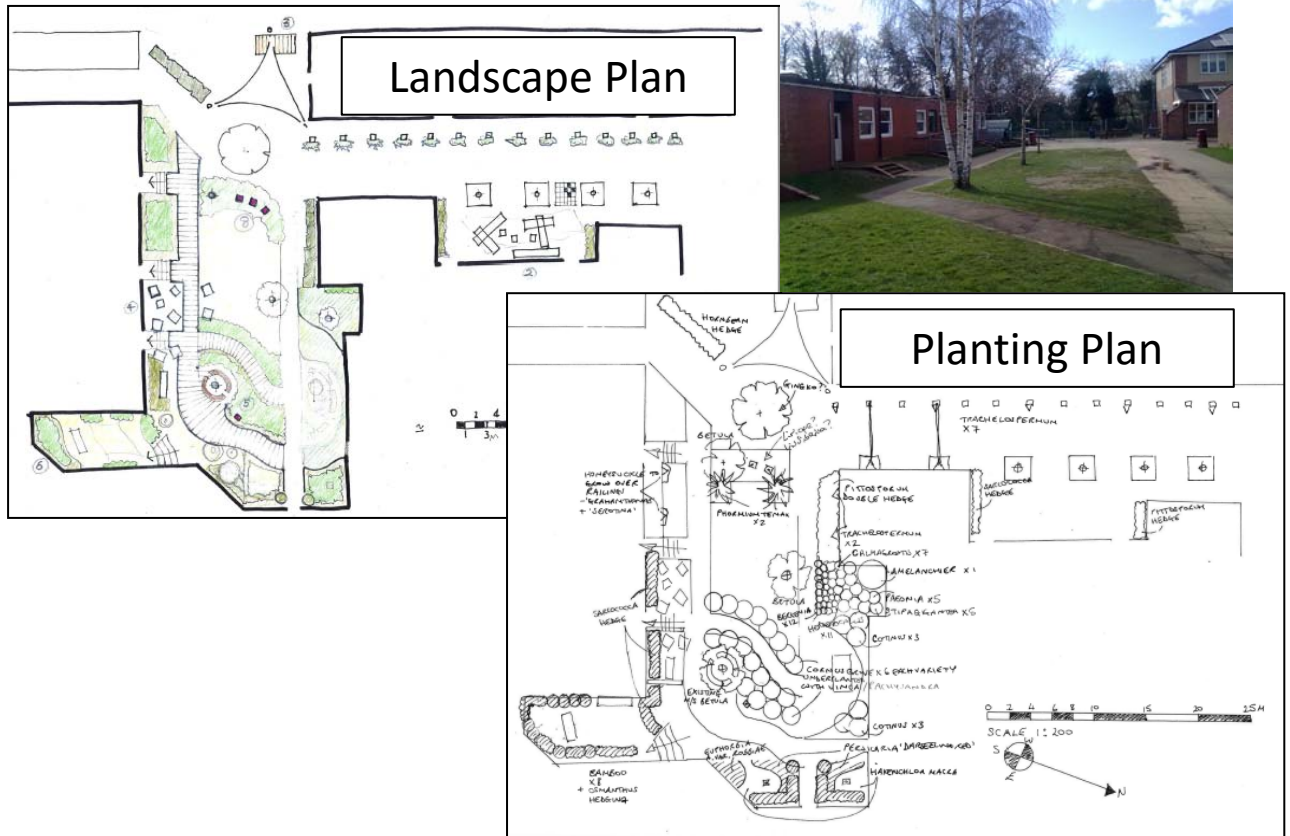

- *Nature to co-exist with our community*

Phase 1: South Site Central Garden

Parent volunteers, staff and students are working together to create a vision for the whole site and have already formed detailed plans for the first phase of development, the South Site Central Garden.

Other phases will include work on a drama and music zone alongside a sports zone.

We really need your help with this exciting project, either by donating money, time or professional skills such as building, publicity or gardening expertise please contact us by e-mailing :
